1. Date & place for EC 2016 & 2017

- Proposal I // Pilsen & week 16.-20.3.2015 (wed-sun)
  - **Accepted**
- Proposal II / Norsjö 2017 – date to be announced later.
  - **Accepted**

2. Proposal of moving ESROC event one day backwards and thus end racing at saturday evening (Juha Yli-Sipola)

- **Not accepted**

3. Proposal to limit G27L chassis to be such that is available for purchase to everybody (Vlado Okali)

- **Proposal withdrawn before discussion**

4. Discussion of qualifying in sprint race. Should be move ups for first racing stage or not (Juha Yli-Sipola)

- **Only general discussion about the matter, no desicion to change rules.**

5. Proposal to move OMO qualifying to the worst lane of the track and change qualifying time to 1 min (Peter Fröbel)

- **Accepted, organizer of the race will announce lane to be used for Qualifying. In case oraganizer cannot determine lane, ESROC meeting will determine lane to be used.**

6. Proposal to use ESROC money to party held within EC race (Zdenek Benes)

- **Accepted including condition that ESROC money should be held in the level that operational costs are protected (web hotel, NPRA co-operation etc.)**

7. At ESROC bank account there is now 1692,97 EUR.

**Recorded by Atte Hietalahti**
