1. Date & place for EC 2017 & 2018

- Per Persson presented his ideas for EC 2017 to be held in Norsjö, Sweden. Plan was generally accepted and he will give presentation for the next year's race before OMO race starts in Pilsen 2016. Date for EC 2017 will be 15.-19.3.2017. There will be two warm up races. 1st 20.8.2016 (main event G12) and 2nd 29.-30.10. (main event G7)
- Reggie Coram has submitted application to organize EC 2018 in Netherlands St. Maarten island. After active discussion ESROC Meeting decided not to grant permission to organize EC race outside continental Europe. **This will also be written in to the Rulebook.**

2. Internet connection at the European championships venue (Juha Yli-Sipola)

- In the venue where EC is held there should be free internet connection available for the racers. Condition was generally agreed by the ESROC meeting, but nothing will be written to the rulebook. Condition will be left as Gentleman advice for race organizers.

3. Class participation rights in ESROC Worlds races (Mikael Silén)

- In the rule point 2.8.B it is stated that in Worlds racer can attend to beginners class or in the to Pro class. In current rule G27L is regarded as beginners class. **Further on G27L will be declassified as beginners class and only G12 will have status as beginners class.**

4. Track power during the 30min repair time in Sprint Race system (Juha Yli-Sipola)

- **To the rules will be added point where it is stated that track power is on when drivers can work with their car between the racing stages.**

5. General discussion of length of the raceweek

- There was active discussion how to improve the quality of EC race week. It was agreed that race schedule can end already in Saturday and organizer were encouraged to enforce rule where they can pick whether race will end on Saturday or in Sunday. Also status of slot party was discussed where it should be placed to the race schedule and should there even be such party or not.

6. Race director communication between racers (Atte Hietalahti)

- President introduced idea where race director should only speak English with racers. Idea was not agreed due the reason that all the race directors does not speak English. It was generally agreed that English should be used when ever it is possible.

7. European championship title classes (Zdenek Benes)

- To be added to the rule point 1.4. that also **G27L will be European championship title class.** After addition G27L, G27, OMO and G7 will have championship title.

8. Rotation of World championship races (Zdenek Benes)

- To be added to the rules that **Worlds championships will rotate between all the clubs capable organizing Worlds race** (Bruhl – Germany, Pilsen – Czech Republic, Laihia – Finland). Rule will be reviewed in each ESROC meeting to update it to meet current situation.

9. G27 glue conditions (Peter Fröbel)

- G27 races have been tested to run with spray glue conditions. It was decided that ESROC meeting 2017 will decide if rules will be changed at G27 from glue class to spray glue class. EC 2017 will make independent decision whether class will run with glue or with spray glue.

10. World relations - Start bonus to Brazilian Nats.

- **Point to 2.7. to be removed from the rules to balance ESROC money situation.**
